Ukrainian uses the Cyrillic script. Ґ, Є, Ї and І are letters you won't find in Russian.

Як грати · How to play

1. **Flash.** Show the letter, say its sound, then flip to the animal. Repeat the word together.
2. **Zoo line-up.** Shuffle the deck and race to lay the animals out in alphabet order, using the reference card.
3. **Guess the animal.** Make the animal's noise or act it out; the other player finds the card and reads the word.
4. **Sound hunt.** Pick a card and find three more things in the room that start with that sound.

Print on card stock, cut along the
